Plaintiff Thurman E. Brown and Defendant National Railroad Passenger Corporation (“Amtrak”) jointly submit this Subsequent Case Management Statement.

Since the last case management conference, plaintiff has accepted defendant’s offer on condition of resolving Kaiser’s medical lien. Plaintiff’s counsel has since learned that plaintiff has Medicare Senior Advantage coverage that is administered through Kaiser. The parties are now researching whether there is a Medicare lien that also needs to be resolved. The parties expect it will take at least 90 days to obtain information regarding any Medicare liens and request this court to continue the case management conference 120 days.
